

**TERMS OF REFERENCE FOR THE NATIONAL ECOWAS VOLUNTEER POST OF
MATHEMATICS TEACHER
October 2026**

I. Position Information

Job Title: Mathematics Teacher

Duty Station: Freetown, Republic of Sierra Leone

Category: National ECOWAS Volunteer (only nationals will be considered)

Type of Contract: ECOWAS Volunteers Programme. Non-Family Position

Expected start date: 1st November 2026

Duration: One (01) year, with possibility for renewal (depending on budget availability and satisfactory performance)

Deadline for Application: 25th October 2026

II. Preamble

The Economic Community of West African States (ECOWAS) was founded by the Treaty of Lagos, in May 1975 as a regional group of fifteen countries: Benin, Burkina Faso, Cabo Verde, Côte d'Ivoire, The Gambia, Ghana, Guinea, Guinea Bissau, Liberia, Mali, Niger, Nigeria, Senegal, Sierra Leone and Togo. Burkina Faso, Mali and Niger withdraw their membership of the Community in 2025. The aim of the Community is to promote co-operation and integration, leading to the establishment of an economic union in West Africa in order to raise the living standards of its peoples, and to maintain and enhance economic stability, foster relations-among Member States and contribute to the progress and development of the African continent.

Through its departments and various agencies, ECOWAS is implementing critical and strategic programmes that will deepen cohesion and progressively eliminate identified barriers to full integration. In this way, the citizens of the community can ultimately take ownership for the realization of the new vision of moving from an ECOWAS of States to an "ECOWAS of the People: Peace and Prosperity for All" by 2050.

Toward the achievement of this vision, the ECOWAS Youth and Sports Development Centre (EYSDC), which was created by the Decision A/DEC.13/01/05 of 19th January 2005 at Accra, Ghana as a specialized Agency, is implementing policies, activities and strategic action plans, as well as the ECOWAS vision in the areas of youth and sports, including the ECOWAS Volunteers Programme (EVP) under the Human Development and Social Affairs Department of the ECOWAS Commission. Originally

based in Ouagadougou (Burkina Faso), the EYSDC was relocated to Monrovia, Liberia following the withdrawal of Burkina Faso from ECOWESS in 2025.

III. Organizational Framework of the Mission

Since its official launch in Monrovia, Liberia on 26 March 2010, the ECOWAS Volunteers Programme (EVP) has devoted time, resources, and expertise to promoting regional unity, peace, and development through volunteerism. The ECOWAS volunteers, young male and female Community citizens, have kept faith with the ECOWAS vision of a community of people supporting people, and demonstrated their collective conviction that peacebuilding and reconciliation can be useful development tools for establishing peace in member States and across West Africa region.

The ECOWAS Volunteers Programme (EVP) is a demand-driven flagship programme of the ECOWAS Commission. It seeks to harness and inject the expertise and professional and personal contributions of mainly young citizens into the process of the implementation of national development agenda of their host countries and communities. And as they do so, they also build and develop their own capacities through contacts with their new professional and social-cultural environments and the lessons derived therefrom.

Under agreement between the ECOWAS Youth and Sports Development Centre (EYSDC), and the Government of Sierra Leone, the ECOWAS Commission intends to recruit a National Volunteer Mathematics Teacher in order to assist in the implementation of the Ministry of Basic and Senior Secondary Education mandate.

IV. Duties and Responsibilities

Under the supervision of the ECOWAS Volunteers Programme Country Office in Sierra Leone and in conjunction with the Ministry of Basic and Senior Secondary Education (MBSSE), the ECOWAS National Volunteer, Mathematics Teacher will:

- a) Teach Mathematics to students in accordance with the approved national curriculum and educational standards of Sierra Leone.
- b) Prepare and deliver well-structured lesson plans, schemes of work, assignments, and assessments that promote effective learning and understanding of mathematical concepts.
- c) Foster students' critical thinking, problem-solving, analytical, and numerical skills through innovative and learner-centred teaching approaches.
- d) Assess, evaluate, and monitor students' academic progress through continuous assessments, tests, assignments, and examinations.
- e) Provide academic guidance, mentoring, and remedial support to students experiencing difficulties in Mathematics.
- f) Utilize appropriate teaching aids, digital tools, and instructional materials to enhance the teaching and learning of Mathematics.
- g) Maintain accurate records of student attendance, performance, assessment results, and other relevant academic documentation.
- h) Collaborate with fellow teachers, school administrators, and education authorities to improve the quality of Mathematics education.

Passion. Motivation. Action

- i) Participate in curriculum implementation, school development initiatives, and extracurricular activities related to Mathematics and STEM education.
- j) Support the professional development and capacity building of local teachers through knowledge sharing, mentoring, and collaborative learning activities where necessary.
- k) Promote gender equality, inclusion, and equal participation of all students in Mathematics learning activities.
- l) Encourage students to participate in mathematics clubs, competitions, quizzes, and other activities that strengthen numeracy and logical reasoning skills.
- m) Prepare and submit periodic activity and progress reports to the host institution, the Ministry of Basic and Senior Secondary Education, and the ECOWAS Volunteers Programme (EVP) Country Office as required.
- n) Respect and uphold the values, principles, rules, and regulations of the ECOWAS Volunteers Programme, the host institution, and the Government of Sierra Leone.
- o) Perform any other duties related to Mathematics education, youth development, and capacity building as may be assigned by the host institution, MBSSE, the ECOWAS National Office or the EVP Country office.
